Re: Request for Additional Information and Records No. CIA-18  
(All Personnel Assigned to Post 1959-1964)

---

Dear John:

We request your assistance in obtaining access to information and records of possible pertinence to the John F. Kennedy assassination. We request a complete list of all personnel (official, contract, administrative, or TDY) assigned to the post referenced in RIF 104-10065-10199. In requesting access to these materials, we are not designating them "assassination" records and we are not, at this time, requesting that copies be given to the Review Board.

This request should be interpreted in the broadest reasonable sense. To the extent that you question whether a particular individual is included in our request, please let us know and we can advise you whether we seek to include the individual.

We request that you make this information available to us by February 28, 1997. If this does not provide you with sufficient time, please let us know, in writing, by what date you believe you will be able to respond to this request.

Thank you for your attention to this matter.

Sincerely Yours,

David G. Marwell  
Executive Director
