Subject: CIA-1 Organizational Material

In response to ARRB's request for additional information and records, CIA-1, the CIA provided access to organizational charts, mission statements, and other administrative material for the four CIA directorates and the office of the Director of Central Intelligence covering the period circa 1955 to 1980. The material was reviewed and documents were selected which corresponded as closely as possible to the list provided to the CIA in CIA-1. The selected documents were reviewed and processed for release to the National Archives.
