Subject: CIA-IR-27 Office of Security files for Five Individuals

In response to ARRB's Informal Request for Additional Records and Information CIA-IR-22, the CIA provided the Office of Security files for Gordon Novel, Jack Ruby, Richard Case Nagell, Harold Weisberg, and Walter Sheridan. Each of the files was examined for documents relevant to the assassination of President John Kennedy. The entire Office of Security files for Gordon Novel, Jack Ruby, and Richard Case Nagell were designated as assassination records. Portions of the Office of Security files for Harold Weisberg and Walter Sheridan were designated as assassination records. These records will be processed for inclusion in the JFK Collection at the National Archives.
