

MEMORANDUM

July 17, 1997

To: File (Interviews)

By: Michelle Combs

Subject: Personnel File of John Anthony McVickar

Mr. John Anthony McVickar was a consular officer at the American Embassy in Moscow from 1959-1961. Prior to interviewing Mr. McVickar on June 30, 1997, Michelle Combs and Jeremy Gunn reviewed Mr. McVickar's entire personnel file and found no information relevant to the assassination of President John F. Kennedy.

Mr. McVickar was a Foreign Service Officer with the Department of State from May 1949 to May 1968. Copies of personnel documents from 1958 to 1966 have been copied for inclusion in this file for timeliness and to make the record complete, not because the reviewers believed the information to have relevance to the assassination. The personnel file has been returned to the National Personnel Records Center in St. Louis, MO.
