Dear Mr. Phillips:

I am writing to thank you for providing assistance to the Assassination Records Review Board. An interview memorandum and the audio tape from your September 2, 1997 interview will be sent to the National Archives and Records Administration in College Park, Maryland for inclusion in the JFK Collection. We appreciate your help in clarifying the historical record. As I explained, the Review Board is not seeking to reach any conclusions regarding the assassination, but is primarily concerned with identifying, clarifying, locating, and making available assassination records.

Should you have any questions or come across any information which may be of help, please do not hesitate to contact us. Please call (collect) for either Joan Zimmerman or myself. Thank you again for your assistance.

Sincerely,

K. Michelle Combs
