Subject: CIA-IR-22 "A" Files on Clay Shaw and Jim Garrison

In response to the Review Board's Informal Request for Additional Records and Information CIA-IR-22, the CIA provided "A" files on Clay Shaw and Jim Garrison. The files appear to predate the opening of 201 files on Shaw and Garrison. Though many of the documents included in these files were duplicated in the CIA sequestered collection, these files were not a part of the collection. The Review Board staff examined both of the files and designated them as assassination records. These files will be processed for inclusion in the JFK Collection at the National Archives.
