

MEMORANDUM

June 20, 2017

TO: David Marwell

FROM: CIA Team

SUBJECT: Review of the Sequestered Collection

We offer the following suggestions for a most time efficient review of the Sequestered Collection files.

The CIA Team will:

- review the files in box order using the database.
- designate folders for priority review on a 1-4 scale based on the topic of the folder and the amount of public interest in the postponed documents within the folder.
- return the completed boxes to HRG for review.

HRG will:
