Subject: Additional Request for Information on DL-282-S, FBI-20

Our interest in DL-282-S stems from Deputy Sheriff Walthers claims that Oswald visited 3128 Harlendale Street, Dallas, TX, in 1963. Dallas files reflect that Walthers probably meant 3126 Harlendale Street. Dallas informant files for DL-282-S reflect that meetings did occur at Jorge Salazar's home address of 3126 Harlendale Street, but that these were officer-only Second National Front of Escambray (SNFE)-Alpha 66 meetings. Also noted in the Dallas files: meetings for members of SNFE (presumably the meetings Oswald would have been allowed to attend if in fact he did attend) were not held at the home of Jorge Salazar, but at SNFE president Manuel Rodriguez, who lived at 2314 Garopan, not 3126 Harlendale Street.
