I have completed my review of the FBI HQ Edwin A. Walker file, FBI number 163-11998, section one, that the FBI produced in response to our request for additional information. There was only one section and only one serial number. The information was not found to be an assassination record.

I have completed my review of the one and only section of FBI HQ Edwin Walker file, FBI number 44-34673, serials 1-3, that the FBI produced in response to our request for additional information. I determined that the records contained in this Edwin Walker file did not relate to the General Edwin A. Walker with whom we are concerned. I did not find any assassination records in this file.

## I have completed my review of two sections of the FBI HQ General Edwin A. Walker file, FBI number 116-165494, serials 1-75,

FBI HQ Minutemen file number 157-420, section one, serials 1 through 1st NR after 10, that the FBI produced in response to our request for additional information. The documents dealt with the connection between one Harry Hart of Atlanta and his claimed connection to the Minutemen. There was no evidence that he was a part of the Minutemen or that he was the leader of a group of Minutmen in Atlanta. Hart talked of bombing the Mayor of Atlanta's yard and of killing various city officials. None of this ever amounted to more than talk. There are no assassination records in this file.
