

DRAFT MEMORANDUM

June 22, 2017

TO: Ms. Anne Winner
Division Chief, Archives and Records Management Division,
Defense Intelligence Agency

cc: Claudia Collins, National Security Agency

FROM: Manuel E. Legaspi
Analyst/JFK Assassination Records Review Board

SUBJECT: Transmittal of NSA Documents 144-10001-10164 and 144-10001-10263

Enclosed you will find two classified documents originated by the National Security Agency that were found by NSA during a search of its Archives per the requirements of the John F. Kennedy Assassination Records Collection Act (P.L. 102-256). You will find attached to this memorandum Record Identification Forms (RIFs) and highlighted copies of the documents (reflecting the NSA's protected equities).

These documents are being referred to you so that you can conduct a review of the document for your agency's equities prior to official Review Board action. Please complete your review and return the enclosed materials to the ARRB *by January 15, 1998* so that we can continue with the processing of this document. If that return date poses a particular problem for you, please contact me at 202-724-0088.

Should your agency request additional redactions, please indicate so by bracketing the items that you wish to protect on the highlighted copy of the document.

Be advised that NSA has no objection to the release of the document, as highlighted.

Thank you for your cooperation.
