Dear John:

As I mentioned in my letter of November 9, 1995, the Board is looking forward to receiving the CIA's evidence in support of the postponement of true names. As you know, we have planned for some time to devote the December 12 and 13 meeting to this important issue. In order to meet our own deadline for staff review, ARRB will need to have CIA's evidence on this issue by December 5, 1995.

We greatly appreciate CIA's ongoing efforts to comply with ARRB's tight reviewing schedule and look forward to receiving your supporting evidence by this date.

Thank you very much for your attention to this matter.

Sincerely yours,

David G. Marwell  
Executive Director
