Subject: Request for Duran Materials

Attached please find a draft request to CIA for materials related to the arrest of Sylvia Duran. I have done several searches on the various databases and through the documents themselves and have not been able to find Duran's "10-page statement." I have found many references to it in documents in the Oswald 201 but not the document itself. As I stated in the draft request to CIA, I have attached those documents in which the 10-page statement is referenced.
