Re: Assassination Records Review Board Request for Additional Information and
Records No. CIA-1

Dear John:

We would like to thank you for the materials that the CIA has provided in response to ARRB Request #1 for Additional Information. We appreciate the time and effort required to collect these.

In reviewing these documents, however, we have determined that CIA did not fully comply with all of our requests. While we realize that coordinating these requests may be difficult, the limited time remaining in our mandate requires that we again request that you furnish this information, which we believe will assist us in reviewing and locating records more efficiently. At your convenience, we would like to meet with an HRG representative to discuss these gaps in information and specify the requests that still need to be fulfilled.

Thank you for your cooperation.

Sincerely,

David G. Marwell
Executive Director
