RE: ARRB Review of Documents from FBI Files

Dear John:

Enclosed is a copy of a letter, dated July 6, from me to Mr. John A. Hartingh of the FBI. As the July 6 letter states, the ARRB staff intends to begin review of claimed postponements within a particular set of documents from FBI files. The CIA appears to have equities in information now postponed in one of the documents within that set: HQ 105-82555-3rd NR 466.

As discussed in the July 6 letter, we request that by July 27 you submit to the ARRB staff whatever document-specific evidence or arguments you may wish with regard to your equities in postponements claimed in this document.

As always, thank you for your cooperation.

Sincerely yours,

David Marwell
Executive Director
