RE: ARRB Requests for Evidence

Dear John:

We have identified a number of documents from the FBI In), we have identified a document containing postponements in which the FBI has equities. The ARRB staff intends to present this document to the Review Board for review of these postponements. The document is particularly identified in the enclosed RIF and Request for Evidence forms.

As stated in the Request for Evidence forms, we request that you provide us with any document-specific evidence or arguments you may wish the Review Board to consider regarding these postponements by August 20, 1995. Although the enclosed forms suggest that you submit such evidence or arguments in writing, we will be happy to discuss with you other means of presentation that may be more convenient or practicable (e.g., formal presentations to, or informal meetings with, ARRB staff members).

As always, thank you for your continuing cooperation.

Sincerely yours,

David Marwell
Executive Director
