RE: Additional Information Request No. FBI-7 (Presidential Protection)

Dear John:

The ARRB requests access to material from the following files for the time period from 1960 to 1966:

- 1) HQ 94-37374
- 2) HQ 62-109717
- 3) HQ 62-86607
- 4) HQ 62-27799
- 5) HQ 62-106364

Our review of the redacted copies of Director Hoover's "Official and Confidential" files in the FBI FOIA reading room indicates that some of the serials in the requested material may be assassination records or may assist the ARRB in identifying and locating assassination records.

We would appreciate access to this material on an expedited basis, so that, if appropriate, the question whether any part of this material constitutes "assassination records" may be presented to the Review Board at its September 20-21 meeting.

As always, thank you for your cooperation.

Sincerely yours,

David Marwell  
Executive Director
