RE: Additional Information Request No. FBI-8 (FPCC)

Dear John:

The ARRB requests access to material from the HQ file for the Fair Play for Cuba Committee (HQ 97-4196) for the years 1961 and 1962, as well as any other material from this file for the years 1963 and 1964 that the FBI has not designated for review under the JFK Act as part of the "HSCA subject-matter" portion of assassination records.

We would appreciate access to this material on an expedited basis, so that, if appropriate, the question whether any part of this material constitutes "assassination records" may be presented to the Review Board at its August 28-29 meeting.

As always, thank you for your cooperation.

Sincerely yours,

David Marwell
Executive Director
