In its implementation of the JFK Act, the Federal Bureau of Investigation (FBI) inadvertently assigned two record identification numbers -- 124-10087-10334 and 124-10027-10011 -- to the same assassination record. The Review Board's final determinations regarding this assassination record were published in notice document 95-29839 at page 62066 of the Monday, December 4, 1995, Federal Register under record identification number 124-10087-10334. However, since that publication, the FBI notified the Review Board of the prior inadvertent assignment of two record identification numbers to that assassination record, and of the FBI's decision to use 124-10027-10011 as the sole record identification number for that assassination record for further processing under the JFK Act. Accordingly, the assassination record in question is being processed and released to the public, pursuant to the Review Board's determinations, as record identification number 124-10027-10011.
