

## MEMORANDUM

March 19, 1997

To: Carol Keeley  
JFK Task Force, FBI

From: Phil Golrick  
ARRB

Subject: Follow-Up to Additional Information and Records Request FBI-11

As you know, the ARRB staff has reviewed the requested portions of Headquarters and Dallas field office files captioned "Funds Transmitted to Residents of Russia" and "Russian Funds," and the FBI has agreed to process as assassination records the serials in those files identified by the ARRB staff as related to the assassination of President Kennedy.

I write now to request access to the New York field office files with these captions for the years 1959 through 1964.

As always, thank you for your cooperation.
