

MEMORANDUM

July 25, 1995

To: Carol Keeley
JFK Task Force, FBI

From: Phil Golrick
ARRB

Subject: Scheduling for Evidence Submissions

As we discussed yesterday, I am writing to document the revised dates by which the ARRB staff requests that the FBI submit evidence in favor of postponements that are the subjects of pending requests for evidence.

We request that, by August 15, you submit any supplemental evidence you may wish for postponements for which you submitted justifications on July 10, and which were tabled or not considered in last week's meeting of the Review Board. We request that, by August 22, you submit any evidence or arguments for postponements for which Request for Evidence forms were delivered to the FBI on July 6.

As always, thank you for your cooperation.
