Re: ARRB Access to Source Files

As we discussed in our meeting on the afternoon of June 20, occasions will arise where, in order to fulfill our statutory obligations, the ARRB staff will require access to material within FBI source files.

We appreciate the FBI's concerns regarding the confidentiality and sensitivity of such material, which you articulated in the June 20 meeting and in prior communications. Accordingly, when we request access to such material, we will state our reasonable basis for doing so.

As always, thank you for your cooperation.

Sincerely yours,

David G. Marwell  
Executive Director
