Re: Public Release of Church Committee Testimony Under the JFK Act

Dear Kris:

I am forwarding for inclusion in the JFK Collection at the National Archives additional Church Committee transcripts. One transcript has been opened in full, and the others have postponements as approved by the Review Board. You will need to prepare the redacted versions of these transcripts before placing them in the JFK Collection (the approved postponements are highlighted on the enclosed copies). The enclosed testimony is as follows:

Opened in Full

- August 25, 1975 Testimony of Victor Hedgman, CIA

Opened With Postponements

With respect to each transcript containing approved postponements, I am enclosing (a) the Review Board's Final Determination Form approving the postponements for that transcript, and, in addition, (b) a copy of the complete, unredacted transcript for the non-public, "protected Collection" (44 U.S.C. § 2107 (5) (e) (2)). The transcripts opened with postponements are:
