From: Ronald G. Haron
Assassination Records Review Board

Subject: Interviewing Former FBI Officials
Re Assassination Records

The Review Board seeks to interview informally certain high-level FBI officials who had responsibilities relating to the investigation into President Kennedy's assassination. The purpose of these interviews is to ascertain whether these officials may have personally retained any records relating to the assassination. Therefore, we ask that the FBI provide the Review Board with any current telephone and address information it may have on the following officials (or, if deceased, their families) so that the Review Board may contact them:

Clyde Tolson, former Associate Director of FBI

Alan Belmont, former Assistant to the Director for Investigations

Alex Rosen, former Assistant Director, General Investigative Division

William Sullivan, former Assistant Director, Domestic Intelligence Division

William Branigan, former Chief of the Espionage Section

F.J. Baumgardner, former Chief of the Internal Security Section

Courtney Evans, former Assistant Director, Special Investigative Division

James Gale, former Assistant Director, Inspection Division

Gordon Shanklin, former SAC for the Dallas Field Office

Clark D. Anderson, former Legal Attache in Mexico City

Robert Gemberling, SA, Dallas Field Office

Sam Papich, former Liaison to CIA

Thank you for your assistance.
