To: Joint Chiefs of Staff ("JCS") File

From: Ronald G. Haron

Subject: Review of JCS Files at NARA

In our July 1997 compliance-related letter to the Joint Staff, we stated that the Review Board staff would review certain files that may relate to the JCS meeting with the German Military Staff on the day of the assassination. *See* July 24, 1997 Letter from R. Haron to E. McBride, at pages 1-2 & note 1. Mr. McBride has advised today that the Joint Staff will assume responsibility for reviewing those particular files identified in the July 24 letter. In addition, in response to our request for additional searches with respect to domestic military surveillance in 1963 (*see* the July 24, 1997 letter, at page 3), Mr. McBride stated that the Joint staff will be reviewing certain files at NARA that may be responsive to our request.
