Re: Deposition of Frank Ragano

Dear Ms.. Lynn:

Please include as an additional exhibit to the deposition of Frank Ragano this cover letter and the enclosed copy of a two page note (these should be marked together as Ragano Exhibit 32). I had neglected to have the note marked during the deposition.

By copy of this letter, I am asking that Mr. Ragano confirm in a short statement that these are his notes and to state, if possible, the date when he created the notes. Mr. Ragano may do this on the errata sheet, which he will receive with the transcript.

Sincerely,

Ronald G. Haron
Senior Attorney
