Re: Compliance of Secret Service, ATF, and Customs Service with the JFK Assassination  
Records Collection Act, 44 U.S.C. § 2107

Dear Ms. Drew:

Enclosed for your records are copies of letters that the Assassination Records Review Board recently sent to Secret Service, the Bureau of Alcohol, Tobacco & Firearms, and the Customs Service requesting their cooperation in providing an accounting of their efforts to locate and release assassination records in compliance with the President John F. Kennedy Assassination Records Collection Act of 1992, 44 U.S.C. § 2107 (Supp. V 1994) ("JFK Act"). Similar letters were sent to other agencies that maintain assassination-related records. The letters set out a specific program over the next several months for each of the relevant agencies to document their compliance with the JFK Act.

Should you have any questions regarding these compliance letters, please do not hesitate to contact me; Jeremy Gunn, the General Counsel; or David Marwell, the Executive Director.

Sincerely,

Ronald G. Haron  
Senior Attorney
