RE: Hotel Reservation
PAGES: 1, including this cover sheet.

I have changed the hotel reservation Tracy made for you. It is now for only the night of October 29. Because October 28 is sold out, you cannot reinstate a reservation for this date. Your confirmation number is 4864484.

It is my understanding that you have received your travel tickets.

We look forward to seeing you on Tuesday. If you have any questions or need anything, please call me.
