Re: NASA Review of House Select Committee on Assassinations (HSCA) Documents
in Accordance with John F. Kennedy Assassination Records Collection Act, 44
U.S.C. § 2107

Dear Mr. Soppet:

Thank you for confirming by your phone message of yesterday that NASA has no objection to the release of the seven (7) records from the HSCA collection that were referred to your agency by the National Archives and Records Administration (NARA).

The Review Board does not need you to return the copies enclosed with my letter of February 8th.

I appreciate your cooperation in facilitating the expeditious release of these records.

Sincerely yours,

David G. Marwell
Executive Director
