Re: INS Review of House Select Committee on Assassinations (HSCA)
Records Under the John F. Kennedy Assassination Records Collection
Act, 44 U.S.C. § 2107

Dear Mr. Leahy:

I am attaching fourteen (14) House Select Committee on Assassinations documents that have been referred to the Immigration and Naturalization Service by the National Archives and Record Administration (NARA) under the JFK Act.

These records differ from the ones I forwarded in my letter of March 19th in that we have found no duplicates of these records already open in other parts of the JFK Collection.

As part of its responsibilities under the JFK Act, the Review Board is now reviewing records compiled by the HSCA to determine to what extent they may be made available to the public. Our Board intends to make determinations regarding the attached documents at its meeting of April 16-17, 1996. Should INS have any objection to the release of these records, or parts thereof, INS should inform the Board of its objections -- with specificity -- by April 9, 1996. Any objections should reference the NARA Record Number shown at the top of the Record Information Form attached to each document. Our Board will consider any evidence INS wishes to submit in support of such objections.
