Dear Mr. Borock:

On behalf of the Assassination Records Review Board, I would like to thank you for taking time to review our proposed regulations and to forward your comments to us.

I broadened the definition of “representative of the news media” to address some of the concerns that you raised and I also broadened the term “news media entities” to include some of the newer forms of news distribution. I am enclosing a copy of the redline version of the regulations containing your suggestions. The redline version was adopted -- unanimously -- by the Board. Thank you again for your interest.

Sincerely,

T. Jeremy Gunn
Acting General Counsel
