Re: Assassination Records Review Board Request for Evidence

Dear John:

The Assassination Records Review Board staff has identified a number of CIA documents that we intend to present to the Review Board for review of your proposed postponements. These documents are identified in the enclosed forms. As stated in the forms, we request that you provide us with any document-specific evidence or arguments you may wish the Review Board to consider regarding these postponements by March 11, 1996.

Thank you for your continuing cooperation.

Sincerely yours,

David G. Marwell
