- 1. How are the records of the DCI, DDCI, and the heads of the directorates indexed? What records are kept?
- 2. In a Cold Warrior footnote, Tom Mangold reports that as any of CI Staff Chief James Angleton's files were destroyed, "a complete record was carefully maintained about what had been done. (George) Kalaris signed off on every file and the DCI's office was notified." (p. 143) What records would the DCI's office have maintained on this destruction?

- 11. What records might still exist on any McCone requests for information from the directorates following the assassination? For example, any request on the surveillance from the Mexico City Station during LHO's visit.

- 12. Who were the Agency liaisons with Robert Kennedy prior to and after the assassination?
- 13. What records might still exist of communications between DCI McCone and Allen Dulles during the Warren Commission?
