Re: Foreign Counterintelligence Postponements in FBI Assassination Records

Dear Ken:

I have enclosed some examples of the sort of official acknowledgments of various counterintelligence activities of the FBI that I mentioned in our phone conversation yesterday afternoon. We have identified many more.

I am also writing to confirm what you reiterated in our conversation yesterday: that the State Department has no objection, based on harm to the bilateral relations between the United States and the foreign country in question, to the release in August 1996 of the following FBI assassination records, per the Review Board's determinations:

Record Number 124-10240-10290 (FBI file number SA 105-2909-1A, 1)

Record Number 124-10063-10017 (FBI file number HQ 62-109060-393)

Record Number 124-10170-10019 (FBI file number HQ 105-82555-788)

Record Number 124-10027-10396 (FBI file number HQ 62-109060-446)

Record Number 124-10073-10489 (FBI file number DL 89-43-10556)

Record Number 124-10023-10217 (FBI file number HQ 105-82555-521)

Record Number 124-10170-10017 (FBI file number HQ 105-82555-7th NR 782)

Record Number 124-10158-10048 (FBI file number HQ 105-82555-1586)

Record Number 124-10151-10140 (FBI file number HQ 62-109060-1593)
