Re: Receipt of Department of Justice Microfilm

Dear Stephanie:

This letter acknowledges receipt of 44 rolls of Department of Justice microfilm. The Roll numbers we received are the same as those listed on the Classified Document Accountability Record that accompanied the microfilm. I have enclosed a copy of the ARRB inventory of the microfilm, including a brief description of each film's content, as stated on the box label. As you requested, we will notify you if the ARRB takes any steps to remove any restrictions or declassify the material contained on the microfilm.

Thank you for your assistance in this matter.

Sincerely,

Jeremy Gunn
Associate Director of Research and Analysis
