Dear Ms. Gentry,

Thank you for contacting the Assassination Records Review Board with your recollections of the assassination of President John F. Kennedy. Your submissions have been reviewed and will now become part of the public files the Review Board will turn over to the National Archives at the completion of our work.

As you know, personal stories and recollections can often greatly contribute to the public record of an event or time. I am grateful that you took the time to share yours with us.

Again, thank you for contacting us, and please feel free to do so again in the future if you have anything else you feel might be of use to us.

Sincerely,

Christopher Barger
