Dear Mr. Holmes:

On behalf of the Assassination Records Review Board, I would like to thank you for taking the time to meet with us at our offices in Washington, DC, on both December 13th and 20th. Your ability to provide insights into the "Holmes Collection" proved very helpful to our organization.

We appreciate your generous offer to provide further assistance and we anticipate that likelihood of contacting you in the future for further information. Thank you again for your time.
