Dear Dan:

On behalf of the Assassination Records Review Board, I would like to thank you for taking the time to discuss your experiences with the House Select Committee on Assassinations with us last Monday.

Our staff not only found our discussions to be productive, but quite enjoyable as well. It was the view of all who attended that the relaxed atmosphere promoted by you, Gaeton, and Ed contributed greatly to the success of the meeting.

We understand that your schedule is quite full and we appreciate your continued efforts in helping the Review Board fulfill its mandate. We anticipate taking advantage of your generous offer to provide us with further assistance as we move toward the completion of our project.

Sincerely,

T. Jeremy Gunn  
General Counsel and Associate Director for  
Research & Analysis
