Re: Records of the Information Council of the Americas

Dear Mr. Butler:

I am writing to follow up on my August 29, 1996, letter and subsequent telephone calls to you. The Review Board remains interested in the Information Council of the Americas (INCA) records in your possession in New Orleans. When we spoke by telephone in August, you said that you would conduct a search of your "locator files" to identify those INCA materials that you believe might be of interest to the Review Board, and to provide me with a list of the materials that you identify.

I am sure you have been busy completing the move of the INCA records to your new offices, but I would appreciate it if you could contact me at (202) 724-0088, as I would like to update the Review Board on the status of your search.

Sincerely,

Laura Denk, Esq.
