Dear Mr. McClellan:

The Assassination Records Review Board is in receipt of your "Petition Submitting New Evidence and Suggesting Further Investigation." Before we can determine how to proceed with your request, we will need to obtain additional information from you. Please submit the full report of your fingerprint examiner with respect to his or her comparison of the known fingerprint of Mr. Wallace with a fingerprint found on the boxes located in the Texas School Book Depository building immediately after President John F. Kennedy's assassination. Also, please provide us with the identity and qualifications of your expert, and with an original fingerprint card of Mr. Wallace.

Thank you for your interest in the work of the Assassination Records Review Board.

Sincerely,

Kim A. Herd
Senior Attorney
