Dear Mr. Nagell:

As you are probably aware, the "President John F. Kennedy Assassination Records Collection Act of 1992," 44 U.S.C. § 2107, was established to collect, in the National Archives, records related to the assassination of President Kennedy. The law also created the Assassination Records Review Board to oversee the process and to provide a mechanism for collecting the records.

It has been suggested to us that you may have in your possession records or information that might be appropriate to include in the National Archives. I would very much like to discuss this and other matters with you at a time and in a manner that is agreeable to you. I would very much appreciate it if you would contact me either by mail, telephone (call collect at 202-724-0088), or by fax (202) 724-0457.

I look forward to hearing from you.

Sincerely yours,

T. Jeremy Gunn
Associate Director for Research and Analysis
