Re: Review of HSCA Records Under the JFK Act

Dear Ms. Noring:

Per our telephone conversation earlier today, I have enclosed a document generated by the House Select Committee on Assassinations ("HSCA") for your review and recommendation for treatment under the President John F. Kennedy Assassination Records Collection Act, 44 U.S.C. § 2107 (Supp. V. 1994) ("JFK Act"). The document includes references to a State Department employee and informant. The Secret Service has already cleared its equities in this record but recommended referral to the State Department prior to public release.

As we discussed, please proceed with review of this document in the same manner as with others you have received from our office. If you have any questions, please call me at the number listed above.

Thank you for your cooperation.

Sincerely,

Brian E. Rosen
