Re: Request for Processing Records Under the JFK Act

Dear Claudia:

We are now in a position to request that you send to us, through appropriate channels, the originals of all NSA documents that you have reviewed under the JFK Act along with the computer data on the Records Identification Forms. In addition, please send your response to our letter dated March 9, 1995, which Jeremy Gunn reviewed at Fort Meade.

We would also appreciate your completing the review and processing of the other assassination records (including the Oswald file, General Counsel files, OLA files, and others) that you have identified.

I am enclosing a letter that will constitute our second request for "additional records and information" from NSA.

Thank you again for your assistance.

Sincerely yours,

David G. Marwell
