Re: Review of National Archives and Records Administration Documents Under the JFK
Act

Dear Ms. Newman:

I am enclosing 47 documents (a listing is provided) generated by NARA for your review under the President John F. Kennedy Assassination Records Collection Act, 44 U.S.C. § 2107 (Supp. V. 1994) ("JFK Act"). I have enclosed a copy of the act for your reference. The documents refer to equities that fall within the Office of Management and Budget's purview.

Please proceed with a review of these documents according to the guidelines set by the JFK Act (and not normal FOIA requirements) and respond back to us by June 5, 1997 so that the Review Board may consider your proposed postponements.

If you have any questions, please call me at the number listed above; to the extent that you may have questions about the legal responsibilities of the Social Security Administration under the JFK Act, please feel free to contact our General Counsel: T. Jeremy Gunn. Thank you for your cooperation.

Sincerely,

D. Sydney Reddy
