Re: Reimbursement for Expenses

Dear Mr. and Mrs. Summers:

I have received your March 14th letter requesting reimbursement of \$110.00 in expenses you incurred in early February in obtaining materials from Ireland in connection with our deposition of Mr. Frank Ragano.

This is to confirm to you that the expenses were previously submitted for repayment and that you will be reimbursed in full as soon as possible. I apologize for the administrative delay, and please do not construe this delay as lack of appreciation on our part for the assistance you provided on short notice.

Sincerely,

Ronald G. Haron
Senior Attorney
