Mr. Martin Underwood
17 Placid Woods Court
Baltimore, MD 21234

Dear Mr. Underwood:

I am writing you on behalf of the Assassination Records Review Board, an independent Federal agency established pursuant to the President John F. Kennedy Assassination Records Collection Act, 44 U.S.C. § 2107 (Supp. V 1994). The Review Board, whose members were appointed by the President and confirmed by the Senate, is charged with the responsibility of collecting records and information related to the assassination of President Kennedy. The Review Board members and staff are required by law to possess Top Secret and SCI clearances. The Review Board is not seeking to reach any conclusions regarding the assassination, but is primarily concerned with identifying, clarifying, locating, and making available information about the assassination. I am enclosing some explanatory material about the Review Board and its mandate.

We would like very much to discuss your work experience in the Kennedy and Johnson administrations. We believe that your knowledge may assist the ARRB in our attempts to clarify the historical record.

One of the members of our staff will be calling to arrange a mutually agreeable time and place for an interview. We would invite you to our offices in Washington, DC or we would easily be able to visit with you in Baltimore if that would be more convenient for you.

Please do not hesitate to call (collect) if you have any questions. We look forward to speaking with you.

Sincerely,

Dr. T. Jeremy Gunn
General Counsel and
Associate Director for Research & Analysis
