Re: Third Agency Documents from Richard Case Nagell File

Dear Jane:

I have recently reexamined your letter of August 9, 1996, in which you indicated that you would forward the Richard Case Nagell file to NARA as soon as you had resolved postponement issues with the FBI, the Bureau of Prisons, and the Veterans Administration. As you recall, the Review Board designated the entire Richard Case Nagell file an "assassination record" at its May 13, 1996 meeting and requested evidence for any postponements by August 15, 1996.

Please let us know the status of these referrals. We would appreciate having a list of the documents that have been referred, as well as knowing the agencies (and names of your points of contact) to which the documents have been referred.

We would appreciate receiving this information as soon as possible, but no later than December 3, 1996.

Thank you for your assistance in this matter.

Sincerely yours,

David G. Marwell
Executive Director
