Re: Request for Information No. SS-11: Files on Individuals Requested by the HSCA

Dear Jane:

This letter constitutes our eleventh formal request for additional information and records under the President John F. Kennedy Assassination Records Collection Act of 1992, 44 U.S.C. § 2107 (Supp. V 1994), (The "Act").

I am writing to request that you make available the files that were requested by the House Select Committee on Assassinations. Lists of names of individuals whose files were requested appear in open correspondence between G. Robert Blakey and Robert Goff, April 10, 1978, April 5, 1978, March 28, 1978, and February 10, 1978 [See HSCA-US Secret Service correspondence 180-10125-10002]. Because these records were requested by the House Select Committee on Assassinations, they are "assassination records" under the definition of the Act. The names requested by the HSCA are listed on the enclosed sheets.

We request that you prepare data disks and any records on which you wish to take postponements in accordance with the procedures outlined in our May 29, 1996 letter. We request that you complete your examination of these records by February 13, 1997, so that the Review Board can make its final determinations.

We appreciate your assistance in this matter.

Sincerely yours,

David G. Marwell  
Executive Director
