Deputy Assistant Director

United States Secret Service

Dear Jane:

I have received your letter of August 9, 1996, which describes a number of documents containing items for which you are seeking postponements. I am writing to draw your attention to an open file at NARA II, which contains the same material you wish to postpone in RIF #154-10002-10415. I have enclosed a research identification form for 180-10125-10002 [Letters Sent Regarding Information, Access and Compliance], Box 4, Folder Title: Secret Service.

Included in this collection (180-10125-10002) are letters between US Secret Service Counsel Robert Goff and Robert Blakey of the House Select Committee that list home addresses of agents. Some of these letters were duplicated in the numbered files of the House Select Committee, which the Secret Service forwarded to the Assassination Records Review Board in November 1995, and which the Review Board processed in January 1996. With regard to Service personnel, your letters to the Review Board dated January 4, 1996, and January 5, 1996, listed US Secret Service employees whose addresses could be released. The Review Board has consistently sustained postponements for Social Security Numbers.

All of the addresses for which you are requesting postponements in your August 9, 1996 letter are open in the Secret Service folder in 180-10125-10002. See, for example: Robert O. Goff to G. Robert Blakey, June 5, 1978; and Robert O. Goff to G. Robert Blakey, February 16, 1978; and Robert Blakey to James Golden, October 19, 1977 (with list enclosed).

Your August 9, 1996 letter mentioned your referrals of certain documents in the HSCA-USSS correspondence (154-10002-10415) to the FBI, the State Department and the White House Military Office. We request that you review the correspondence contained in 180-10125-10002 before proceeding further with referrals to other agencies. These letters may already be open. We request that you advise the Review Board of any revisions you wish make to your list of postponements in the August 9, 1996 letter by October 25, 1996.

If you have any questions regarding this matter, please call me.

Sincerely yours,

David G. Marwell  
Executive Director
