Re: Transcript of Deposition of Robert White before the Assassination  
Records Review Board on March 3, 1998 and March 6, 1998

Dear Mr. Adler:

Enclosed is the original transcript of Robert White's deposition conducted by the Assassination Records Review Board on March 3, 1998 and March 6, 1998.

Please transmit this deposition to your client, Robert White, so that he may read it carefully to make sure there are no transcription errors. Once he has completed his review, please have him note any corrections on the errata sheet. In addition, please instruct your client to sign the "Certificate of Deponent," which confirms that a correct transcription of his answers has been made. Both the "Certificate of Deponent" and the errata sheet should be signed in the presence of a notary. After Mr. White completes his review and signing, please return this original transcript to the Review Board. Once we have received the signed original transcript from your client, we will make a copy for you and your client.

Please call me if you have any questions regarding your client's review and signing of the deposition transcript.

Sincerely,

Kim A. Herd
