Re: Johns Committee Records

Dear Secretary Blanton:

On behalf of the John F. Kennedy Assassination Records Review Board, I would like to thank you for your assistance with my review of the confidential records of the Florida Legislative Investigation Committee (the Johns Committee). In particular, I would like to thank Mr. Charlie Frier, whose assistance and familiarity with the records helped greatly in my review of the documents, and Steven Kahn, who was very helpful and efficient in enabling us to obtain access to the records.

Because of the nature of our organization, we at the Review Board are certainly aware of the sensitivities involved in reviewing confidential records, and we are appreciative of the efforts of your office in allowing us access to those files. We anticipate being in continued contact with your office in the near future to discuss the return of records photocopied for our research purposes.

Again, we appreciate your cooperation, and we look forward to speaking with your staff again soon.

Sincerely,

Manuel E. Legaspi
